## Understanding the EnglishScore

EnglishScore

CEFR level

Compare CEFR to IELTS®\*

### At this CEFR level you:

Can understand standard spoken language, live or broadcasted on both familiar and unfamiliar topics normally encountered in personal, social, academic and vocational life. Only extreme background noise, inadequate discourse structure and/or idiomatic usage influence the ability to understand.

Can understand the main ideas of propositionally and linguistically complex speech on both concrete and abstract topics delivered in standard speech, including technical discussions in your field of specialisation.

Can follow extended speech and complex lines of argument provided the topic is reasonably familiar, and the direction of the talk is sign-posted by explicit markers.

Can read with a large degree of independence, adapting style and speed of reading to different texts and purposes, and using appropriate reference sources selectively. You have a broad active reading vocabulary, but may experience some difficulty with low frequency idioms.

\*These charts can only be used as approximate comparisons and cannot be considered evidence of actual or expected IELTS® scores.
